LOMMAN, MICHELLE 0

You work in an office that presents minimal workplace hazards. You walk into the courtyard and find a colleague collapsed on the ground.

What would be your first action?

Select the correct answer from the choices below.

Check their breathing

Check for Dangers

Shake them

LOMMAN, MICHELLE 1,165

Correct
You need to check if they respond to stimuli. The 'COWS' acronym is a good method to remember: Can you hear me? Open your eyes. What's your name? Squeeze my hands and let go.
