# Moodle HQ Mobile Support

Adding support for custom  
certificate in new mobile app

Add mobile support for the  
choice activity

(You used this yesterday)

MDL-53566: Context Locking  
Remove all write capabilities  
within a context.

**Moodle HQ**  
**Administration**

## Moodle HQ Forum

MDL-46881: Rewrite forum mail sending to use Adhoc tasks

MDL-62675: Rewrite forum to use templates and subplugins

MDL-36754: Display images properly in forum e-mails

Peer review gamification project.  
Encourage developers to tackle  
more peer reviews (YAY!!)
